TUITION ASSURANCE PROGRAM - OPTIONAL

The school budget at the Montessori Community School is based upon our planned tuition and fee receipts. Our school relies entirely upon tuition and fees to fund our programs, compensate teachers and staff, and to pay fixed costs throughout the school year.

Every school year, students withdraw for a variety of reasons, including, but not limited to, personal reasons, injury or sickness, death of a parent or family member, financial issues, emotional difficulties, and family relocation. Any of these issues are not only difficult for the families emotionally, but they also present financial issues for both the parents and our school.

Once a family commits to, and signs the 2017 – 2018 Continuing Enrollment form with the Montessori Community School, they are acknowledging a financial commitment and a legally binding agreement. The Tuition Assurance Program is designed to help families financially if the need arises while at the same time ensuring that school's resources remain adequately funded. By electing to enroll in this optional program, a family can reduce their financial risk and obligations to our school.
