ADMISSIONS INFORMATION

Early Childhood Program (Ages 3 – 6)
2018 – 2019 School Year & Full Year

The first step in the admissions process is to contact the admissions office to arrange for an adults only tour. The tour is *required* for admission.

To apply for admission, submit a completed application form and a non-refundable \$50 application fee to the admissions office.

If your child has attended a school prior to your application, please submit the most recent teacher evaluation.

Once all of these documents have been received, you will be invited to a Parent Interview with Administration. This meeting is an opportunity to make sure that parents have an accurate understanding of Montessori Education and reasonable expectations of our school as well as giving Administration the opportunity to express our expectations of families and to determine that all adults involved will work together in support of the child. The interview is an excellent time for parents to ask additional questions about the school and to ensure that there is a good match between your family and the school.

At a later date, your student may be invited to spend time in the classroom to determine the potential for success within a Montessori environment.

If your application is accepted, you will receive an acceptance letter and an enrollment packet; which will need to be completed and returned with the \$600 non-refundable commitment fee. *\$400 of this fee will be applied towards the annual tuition; \$200 is a general administrative fee. Early Withdrawal will result in the forfeiture of the entire \$600.*

We look forward to receiving your application and getting to know your child and your family.

Is your child completely toilet trained? Children must be toilet trained by the time they start the Early Childhood program. "Toilet Trained" means that your child is able and willing to independently use the toilet in all aspects, including dressing/undressing, wiping, etc. We understand that a toilet trained child may have an occasional accident. However, we would not consider a child that is having accidents on a daily basis to be toilet trained.

**SPANISH /ENGLISH DUAL LANGUAGE
Early Childhood
APPLICATION FORM
2018 - 2019 School Year**

Completion of the entire three-year Early Childhood Dual Language curriculum is critical to the child's development of the Spanish language. The first and second years are spent building vocabulary and laying the foundation for speaking, reading, and writing the language. Of the three years, the third and final year is the most important and is essential to the child's optimum experience in the Early Childhood Montessori Program.

First consideration will be given to 3-year-old students who meet our criteria but we will consider older children whom we feel would benefit from and enhance the class. Children remain in a sensitive period for language development until around six years old. We require a three-year commitment from parents who wish to enroll their students in a Dual Language classroom.

NAME OF STUDENT _____

- * Please consider my child for the Spanish/English Dual Language Early Childhood Class for the 2018 - 2019 Academic Year.

I understand that a \$250 Materials Fee will be charged as part of the enrollment requirement for this class and will be invoiced annually. (If your child is selected to participate in this class, you will be invoiced for the Materials Fee.)

Please complete and submit this application with Early Childhood Application.

Acceptance of your child into this class is not guaranteed as the number of applications may exceed available spaces. Applications of siblings will be considered together.

Over

Please write a paragraph or two about why you would like your child to be enrolled in this program.

Should your child be accepted into the Dual Language Spanish/English class, in what ways would you support your child in enriching his or her Spanish language development and cultural experience?

Is Spanish spoken in your home by parents or close relatives? Is your child exposed to the Spanish language on a regular basis (i.e. friends, nanny)? If yes, please offer a comprehensive description of your child's Spanish language proficiency or Spanish language exposure.

I am willing to commit to the full three-year cycle, including the third (Kindergarten) year.
